

REACH CHECK IN

(Every 6 weeks)

PRAY

Take time to share prayer requests related to your "one." We can labor hard and long but if God doesn't give the increase our efforts are in vain (Psalm 127:1-2). Spend time as a group praying for one another and for those you are striving to reach.

PRAISE

Discuss any REACH praise updates. We want to celebrate all that God is doing through you reaching out to others. Be sure to celebrate even the "smallest" steps taken such as getting to know someone more or inviting them over to your home. Be sure to celebrate gospel conversations and certainly rejoice when someone trusts in Jesus Christ.

PRESENT

Use this as a time to present to your group where you are in the REACH process with your "one." This will help you hold one another accountable and encourage one another to continue making progress.

PLAN

After hearing where each group member is in the REACH steps, help one another plan the next step forward. For instance, if someone is stuck in the step of "greeting" and is afraid to get to know someone more, then brainstorm questions they can ask their neighbor next time they see each other. If someone has invited someone over for dinner two or three times, but is now scared to share Christ, then help them plan ways they can engage their neighbor in a gospel conversation.

GROW GROUP REQUIREMENTS

I will commit to the following expectations:

1

I am eager to grow in my relationship with the Lord as I am entering into a year of accelerated pursuit of godliness.

2

I am committed to meeting regularly with my group at the schedule we agree upon.

3

I will complete all my assignments before my Grow Group meeting in order to contribute to discussion.

4

I will seek to contribute to the conversation with humility, transparency, and genuine care for others.

5

I am open to leading a Grow Group in the future.
