Sunday School is the foundational strategy for leading people to faith in the Lord and developing them into on-mission Christians through Bible study groups that engage them in evangelism, discipleship, fellowship, ministry and worship, and teach them how to pray.

No Stats this Week

No individual attendance was taken due to the combined session with Rev. Smyrl.

TEACHERS: teach for Life Change. The mark of a successful lesson presentation is people responsive to the Word of God not whether we get through all the materials or not.

OUR MISSION

How is your class seeking to accomplish our Mission?
