- At First Baptist Church, our mission is to reach all of Jacksonville with all of Jesus for all of life. This means we're always looking for opportunities to connect with our neighbors, build relationships, and share Christ with them. On October 31, these opportunities will literally knock right on our doors! We have no on-campus activities that night as we are encouraging you, our members, to reach out in your neighborhood.
- Seasonal resources are available in the Dining Room as well as online. We pray these resources will encourage you to be intentional with the opportunities all around you to share the Gospel.
